

## THE GRAND UCCEL HOTEL

Thank you for your enquiry,

We accept bookings for any time of the year, although the Aquapark is only open from May to end October. Any bookings may be altered by a few days to fit in with later flight arrangements as long as dates are confirmed by the end of January; flight details may be added later. However, there are already very few Gold or Silver family rooms available in July or August 2011.

### Standard Hotel Room with Bed & Breakfast

Twin/Double/Triple rooms with en-suite bathrooms are available all year round. A Buffet-style breakfast and Turkish tea is included in the room price. All rooms have their own balcony with television and telephone, overlooking the gardens or the mountains (no pool view), in two- or three-storey buildings scattered throughout the hotel grounds. All rooms have air-conditioning, T.V., mini-bar/fridge, hairdryer, direct dial phone, along with complimentary toiletries and private balcony. Half-board is also available for a supplement of £9.50 pppn; the evening meal consists of a 4-course meal with open buffet selection of starters, soup of the day, a choice of main course and desserts. Full board £14.50pppn. These rooms are only suitable for **1-2 people**.

### Deluxe Rooms with Bed & Breakfast

This year, as part of our huge redevelopment project we will be making available 18 deluxe hotel rooms with many added benefits: Rooms are 50% larger than standard twin rooms. They have an ensuite bathroom with a BATH and shower. Additionally there is a sitting area with sofa bed, mini-bar and tea and coffee making facilities plus T.V. and DVD player (to be confirmed). Air-Conditioning is available in all rooms.

**Sleep 2-3 people (an extra bed may be put in on request at no extra charge for child up to 11 years)**

### Gold Family Rooms

These are most suitable for families with older children who need their own independence but also the security of parents close at hand. They are two standard hotel rooms with all the facilities in each room including private bathrooms, balcony, phones, separate doors with private key to enter and interconnecting door between the rooms. Both rooms have separate air-conditioning, mini-bar/fridge and television with a mixture of channels including up to 3 English speaking channels.

**Sleep a maximum of 4 people**

### Silver Family Rooms

Expanded numbers of room for summer 2011 - A superb solution for younger and larger families with 2 large rooms one with twin beds, the other with a double bed each with their own air conditioning, TV, mini-bar access to a large shared balcony and separate bathroom – there is only one main entrance to these rooms and a separate shared bathroom. One of the rooms has a wash basin to alleviate pressure on bathroom usage and an extra bed or cot can be placed in either of the rooms to accommodate families of up to 5.

**Sleep 4-5 people (fifth person must be child up to 11 years)**

### Apartments [Self-Catering]

We no longer have self-catering accommodation at our hotel, however we can still offer one-bedroom apartments at our sister hotel the 'Salkan Apart Inn' only a few minutes walk from our main hotel. They have air-conditioning in the main bedroom, living and kitchen area with fridge, electric hob, and all utensils are provided. The bedroom is twin or double and there is ample space for a third bed to be placed in here. The sitting/dining area doubles as the second bedroom with two superior spring-action sofa-beds. There is also a dining table and chairs for comfort at meal times. The bathroom is separate from both rooms and has a shower.

**Please note there are 3 smaller aquaslides on site and a children's playground, but there is an additional charge of £75pw (per room- up to 5 people) for unlimited access to the Grand Ucel Hotel Aquapark.**

**2011 PRICES:** (in GBP £ and in Euros €)
